Expressions of Interest for Grants Sub Committee

Are you interested in joining a P & C sub-committee looking for opportunities for the school to apply for funding grants (Funding would be used to further enhance the music programs, use of additional computers in the classroom; improve playground areas and purchasing of sporting equipment)? Alternatively, maybe you know someone who has worked on such campaigns that may be interested in joining this valuable initiative.

If so, please contact Jenny Whitaker on baxter@fjc.net.au
Interrelate Evening

Last week, notes were sent out to all students in Year 3-6 in regards to interrelate. Interrelate is a program we offer every 2 years. The program is held out of school hours on the school grounds, by health professionals.

There will be 2 sessions, the first being aimed at students in Yr 3-4, however Yr 5-6 may attend this session if they wish. The second session is purely for yr 5-6 students, and deals with developing student’s understanding in relation to the physical, emotional, social and intellectual changes associated with puberty for both boys & girls.

These sessions are a great way to inform your children about these changes in a non-confronting and easy to understand way.

The sessions cost $25 for one session or $30 for both sessions.

Don’t let this fantastic opportunity go to waste.
