Welcome to the first edition of our Settler Spring Fair news.

Already we have some great rides booked for the day that we will be pre-selling wristbands for. We have the Wild Rider, Lost Temple, Cup & Saucer and the Super Slide. The wristbands will cost for unlimited rides $20 (pre-sold) and $25 if purchased on the day. If you would like to lay-by a “ride all day wristband”, Cherie will be at the silver seats every Thursday at 8.50 otherwise please leave money in an envelope clearly marked “ride all day wristband” along with your name and class at the office and a receipt will be sent home.

We want everyone to be involved in this so we will keep you updated in the coming months of what we’re doing and how you can help. We are going to be having donation drives on a regular basis and asking you to bring in things such as goods we can sell on our trash & treasure stall, crafts, plants, pots, 2nd hand books, CD’s, DVD’s, bottles of drink or sauce, lollies, cakes etc We’ll let you know what and when as we need it.

As well as our rides and stalls we will be having a food court, chocolate wheel, games and side shows and Entertainment throughout the day.

STALLS

We are asking each class to being responsible for a stall. At the moment the class stalls are being finalised, then we will be asking for parents help to run the stalls (the kids will be having too much fun).

We are also asking for donations of books, which can be left at the office anytime marked “fete”.

If we all do this together then our Settler Spring Fair will be a huge success for our kids and a great fun day.

what can you do now?

* We need prizes for our major raffle and for our chocolate wheel. If you, your business, or anyone you know, can help please see someone from the Fair committee or leave your details with the office and we’ll contact you. Any product or service can be donated, we can even help supply a voucher if needed.
* We are also looking at inviting stall holders for our market section and also party planners such as Tupperware, etc at our fair. So if again you, or anyone you know would be interested in having a market stall please call Maxine on 0414763219

Listed below is the fair committee so these are the people to see if you have any questions, donations, ideas or want to know anything about the fair.

Maxine Taylor - 4/5C & 2C
Evan Harris - 1/2M & 5/6J
